1 stack	6 oz. Bison Burger Patties – 5 of
1	Bison Garlic Coil – can be eaten cold or heated on a BBQ
1 pack	Bison Maple Breakfast Sausages

Glengary ½ Bison

Feeding a family on a budget, but would like to feed your family naturally raised Bison? Bison sides weigh between 250 and 325 lbs. hanging (this means with bone in). This yields about 68 to 70 % of Bison meat. Many of our customers order from us in the fall so they are stocked for the winter and part of the spring.

Please call for further information.
